

Statement of the producer of packaging and/or non-packaging products by type, material and quantity of packaging placed on the market of the Slovak Republic for the calendar quarter

(quarterly statement) (valid from 01.01.2024)

1. Statement on consumer packaging

| Consumer packaging | Packaging material | Origin of the material | Manufacture (kg) | Import (kg) | Export (kg) | Total (kg) | Reusable packaging | Packaging filled with hazardous substances | Price total |
|---------------------|-----------------------|------------------------------|---------------------|----------------|----------------|------------|--------------------|---|----------------|
| | Glass | Primary | | | | | | | |
| Class | Glass | Recyclate | | | | | | | |
| Glass | Glass | Primary | | | | | | | |
| | composite | Recyclate | | | | | | | |
| | DET | Primary | | | | | | | |
| | PET | Recyclate | | | | | | | |
| | LIDDE | Primary | | | | | | | |
| | HDPE | Recyclate | | | | | | | |
| | D) (C | Primary | | | | | | | |
